Western Wheels

After having our regular meeting date and cruise called off due to weather, the group met at Godfathers Pizza on April 18, 2009 for a two course pizza meal and a brief meeting. Members present were Harry, Bonita & Charlene Case; Don & Betty Steinwart; Kelly Schulz; Mary Miller and friend Betty Madison; Gene Sell; Butch Feil; Maury & Becky Schuddinck; Stuart Tritt; Jim & Wanda Mowry; Perry, Jackie, & Corrina Meyers. A tour was planned but again due to weather that portion had to be canceled. Jim Mowry reported on the need to get registrations in early for the Father's Day Car Show to be eligible for the early bird drawing for the show. This show is put on by the High Plains Auto Club. With no more business being discussed the meeting was adjourned.

Saturday, May 9th at 3pm, meet at the YMCA lot for a walk (someone said that's exercise) then a driving tour. Dallas Whiting is in charge, but it is a no host event.

Pikes Peak

Twelve members attended and showed cars at the April 25th Outlaw Car Show and Swap Meet at the Colorado State Fair Grounds. A business meeting was held at lunch. Officers were able to inform participants at the show about the Studebaker Drivers Club and the Pikes Peak Chapter of SDC.

Our meeting in May will be at the Abbey Car Show on Saturday May 16th. Members are reminded to get their registration in as soon as possible. This activity is a joint meeting with the Conestoga Chapter of SDC. We will be meeting at the south parking lot of the Canon City Wal-Mart at 9:00 a.m. so we can park together at the show. We plan on leaving as a group at 9:15. So please don't be late. It was decided to do a potluck lunch, so please bring a food dish item to share.

The June 13th activity for the Pikes Peak SDC will be "Studebaker on the Lot 2". We are inviting all owners of Studebakers in Colorado to this fun activity. The lot is set up like a used Studebaker car lot. "Studebakers on the Lot" will be held at the southeast parking lot at Powers and Constitution Ave. or where Warehouse Food was located in Colorado Springs. This a good way to inform and attract potential members to our Chapter. We will be having a potluck lunch. The Chapter will be furnishing the main dish and we are asking members to bring a dish to share. Dash plaques will be presented to participants.

The Chapter treasurer has worked with the Holiday Inn Express in La Junta to get an outstanding discount room rate for "Studebaker/Packard Meet at the Junction", September 18th, 19th and 20th. When making your reservation please mention "SDC" to get the discount rate. The Holiday Inn Express phone number is 719-384-2900.

Norm Giesecker has been in the hospital during the month of April. He is now on a speedy recovery. Our thoughts and prayers are with him and any other SDC member who are under the weather.

Conestoga

Spring has definitely sprung here in Colorado! Unfortunately, Mother Nature ((wet, spring snow) forced us to cancel our April 18 Clive Cussler Museum Tour and lunch. We had over 40 people planning to attend, so we will try to reschedule the event for later this year. The April 8th casual dinner was well attended at the Golden Taipei — it was a lot of fun so plan on joining us this month at Clancy's in Wheat Ridge on May 13th (see details on page 4).

As you may recall, Conestoga's annual birthday brunch will this year again be at Mt. Vernon Country Club. Mark your calendars for May 31. Since 2009 is the 50th anniversary of the introduction of the Lark, please consider driving your Lark or Daytona! **PLEASE RSVP ASAP!!** Ray and Catherine Petros will again be hosting the business meeting at their nearby beautiful home. A key issue to be discussed (cussed?) at the meeting will be our chapter dues for 2009/2010.

May is the beginning of the car show season—we look forward to driving and showing off our Studies! Please consider attending the May 16 Abbey Car show in Canon City and Pikes Peak's show on June 13 (see enclosed flyer).

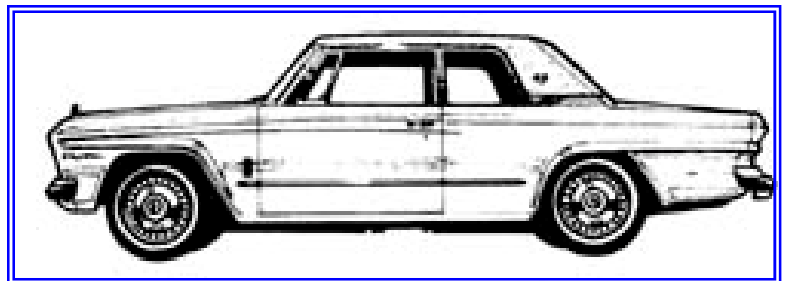

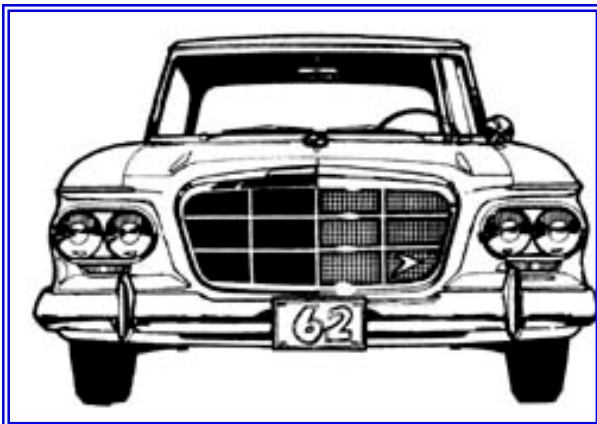

Hope to see some of you at the 26th Annual Exotic Sports Car Show and Concourse d'Elegance on Sunday, June 14th (see enclosed form).

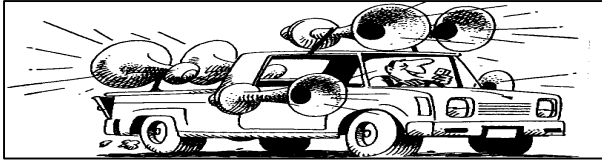

Our June meeting is Sunday, June 28th at Steve & Sandy Doerschlag's home. There will be more information in the June newsletter.

Dear Fellow Car Enthusiast

It's that time of year again and we are enthusiastically working to put together the 26th Annual Exotic Sports Car Show and Concours d'Elegance at Arapahoe Community College on Sunday, June 14, 2009 9:00a.m.- 3:00p.m. to benefit UCP Colorado (new name, same organization as Cerebral Palsy of Colorado).

After 62 years of dedicated service, UCP Colorado has hit a new milestone. Nearly 29,000 families received life changing support last year through our numerous programs and services. Proceeds from the Exotic Sports Car Show and Concours d'Elegance go directly into the Creative Options Early Education Centers operated by UCP Colorado. These early education centers provide educational opportunities for 742 children birth to five years old living in poverty or at risk for social-emotional issues and developmental disabilities. Children and families receive strong support from our highly trained staff and dedicated team, which consists of early childhood educators, occupational therapists, speech therapists, family service workers and teacher assistants. These children would fall through the cracks without the comprehensive early education approach provided by UCP Colorado. We could not provide these early educational opportunities without special events like this and ***the key to the success of these events are the generous donors like you!***

Last year at the 25th anniversary show, we made a few substantial changes and added a few elements to make the event a very memorable experience for participants and spectators alike. These few changes were a great success and will be part of the event again this year, so mark your calendar now!

- Tour for the Kids – Saturday, June 13, 2009 starting from Club Auto; limited to 50 cars on a first-come first- served basis
- A revamped layout of the cars grouping the same makes together.
- Local entertainers MoDazZ, playing great jazz tunes.
- The Wildlife Experience offering activities to entertain our very youngest of viewers.
- A youth judging crew organized by Club Auto to expose younger generations to the knowledge about and passion for great exotic sports cars.

If you are unable to attend, please consider making a general contribution to our organization. UCP Colorado is a qualifying organization for the Colorado Child Care Tax Contribution Credit. This tax credit allows for a 50% credit toward your State of Colorado income tax liability up to \$100,000 annually. This tax credit is available for individuals and businesses, and any unused portion of the tax credit may be carried forward for up to five years.

We are looking forward to another successful year and we hope you'll be able to participate in one or both of these events. Join us in making a difference in the lives of the children that are improved through these early education opportunities. Registration forms for the Sunday event are available at www.cpc.org. Please call 303.691.9339 for further information for the Tour for the Kids.

Thank you for your consideration and belief in our cause. We hope to see you at the show!
