EDITOR'S CORNER

The end of summer is near, but, yeah there are still cruises, car events, and color tours left to attend. I look forward to the change of season when trees turn from greens to vibrant colors of gold, yellow, orange, red, and burgundy. And also cooler days and crisp evenings. Hope to see you around this September at one of the many events that are here for all our member to attend.

Marilyn Scott, Editor

Chapter News

Western Wheels

Western Wheels Chapter met in Mitchell, NE on Saturday, August 8th for the Scotts Bluff County Fair Parade. Cars that were entered in the parade were: Gene Sell's 1954 Commander Coupe; Don Steinwart's 1954 Land Cruiser; Butch & Julie Feil's 1950 Champion; Mary Miller's 1960 Lark Convertible; Mary's 1963 Lark Sedan driven by Maury Schuddinck; Stuart Tritt's 1963 Avanti; Dallas Whiting's 1955 Commander; and Harry & Bonita Case's 1953 Champion.

After the parade we all went to Frank Park in Scottsbluff for a picnic and business meeting. The club supplied the fried chicken and members were to bring a salad or dessert to round out the meal. We were joined at Frank Park by Kelly & Marie Schulz; Jim & Wanda Mowry; Perry, Jackie & Corrine Meyers and Dallas & Lucille Whiting's kids and grandkids from Shickley, NE.

The next scheduled event for the Western Wheels Chapter is the annual Labor Day Event in Spearfish, SD. This should be a fun event as the Dakotas Chapter is planning on making this an orphan car event. On Saturday, August 1st several of the members in the chapter participated in the annual Tabor Days Parade in Minatare, NE. Perry Meyers was in charge of getting the chapter signed up for the parade.

Have a good Labor Day and it is hard to believe that summer is almost over.

Stuart Tritt

Pikes Peak

Our potluck picnic in Van Diest Park in Colorado Springs on Saturday, August 15th was a great success. The classic cars that were present included six beautiful Studebakers and one brand X. Twenty three members enjoyed a great picnic lunch on a beautiful Colorado Springs afternoon. The regular meeting was held after lunch. Several items of importance were discussed: membership vehicle display signs are available for \$30.00 each to include as much information a member may want to tell about his/her car. Informational sheets will be sent out by the secretary.

The other business was the final plans for Studebaker/Packard Meet At The Junction on September 18th, 19th and 20th. Friday the 18th is a cruise to Sonic at 5 p.m. followed by cruise to the Koshare Museum to watch the Koshare Indian Dancers at 7 p.m. On Saturday the 19th, we will travel to the La Junta Municipal Airport for the Annual Airport Fun Day. We have been informed; they are expecting 40 various airplanes

and events, plus the local car and tractor club will be having their annual car show. The car driving activities of the fun day have been set to test driving skills for both the male and female contestants. Awards will be presented to the outstanding participants at the awards banquet that evening. The banquet, awards, and entertainment will be held in downtown La Junta at the new Thyme Square Restaurant. Social hour begins at 6 p.m. followed by the banquet. On Sunday morning the 20th, we are asking attendees to drive the short 20 miles to downtown Las Animas to have a continental breakfast in the Donkle's Studebaker Shop from 9 to 11 a.m. After breakfast there will be a cruise of the Las Animas and Boggsville Historical Site to view the homes of Thomas Boggs, Kit Carson and William Bent. We hope you plan on attending Studebaker/Packard Meet at the Junction in beautiful and historic southeastern Colorado. Rooms are still available at the Holiday Inn Express in La Junta, just mention that you are with the Studebaker club to receive the special rate. Hope to see you at the "Junction."

Secretary, Chuck Donkle

Conestoga

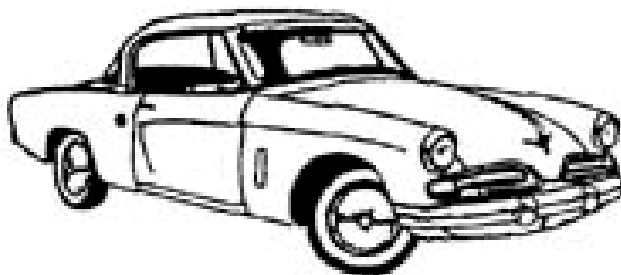

Well, its starting to feel a lot like Fall but several events for Conestoga participation remain during Sept. August events included our casual dinner on the 9th at El Rancho (13 of us enjoyed a great meal!) and 25 of us visited the Clive Cussler Car Collection (talk about eye candy?) followed by a pizza, salad & drink lunch on the 29th. On the 15th our Wash/Wax Fund Raiser was somewhat disappointing (too much rain), but Carey Dietz, Frank Nekvasil, Roy Kyle and I had a good time while Peggy Dietz proved to be a real trooper while holding signs up facing passing traffic! (thanks to all). Several Studes and Dietz's Packard showed up at the August 1 Golden Cruise while several Conestogans were seen at the OCCC Swap Meet on the 22nd. Finally, the annual Glidden Tour had a stop at the Adams Co. Fairgrounds on the 27th where numerous classics were viewed including a pristine 1912 EMF.

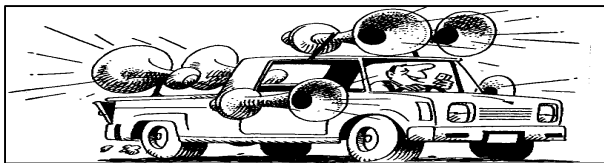

Noteable September events include our casual dinner on the 9th in Windsor, The Colfax Cruise on the 19th and Meet At The Junction show in La Junta (Sept. 18-20). For those of you who want to enjoy a Fall Color Tour, The Wyoming Chapter is sponsoring a cruise between Sept. 18 & 20. Specific details on these events are included elsewhere in this newsletter. I hope to see you all at one or more of these fun events!!

Phil Scott

LOOKING AHEAD

4-7 Sept— SUNDAY	Dakotas Chapter SDC —Labor Day Weekend & Orphan Car Show in Spearfish, SD, Holiday Inn Info: Jim @ 605.390.2238 or e-mail: studeman40@hotmail.com
18-20 Sept— FRI-SUN	Wyoming Chapter of the SDC invites you to the third annual Wyoming Fall Colors Tour. (Please see page 8 for the flyer with all details).
18-20 Sept— FRI-SUN	PIKES PEAK CHAPTER —Studebakers and Packards— Meet At The Junction in La Junta, CO. Car show and fun day with the La Junta Airport Fun Days. Hosts: Dave Batchelor @ 719.784.6140 and Chuck Donkle @ 719.456.2468. Please see chapter news.
19 Sept— SATURDAY	The Colfax Cruise from 2pm—7pm. Hosted by the OCCC to benefit D.A.R.E. <u>FESTIVAL SITE LOCATIONS ARE:</u> NAPA/Super Kmart @ 15200 E. Colfax Ave; East H.S. @ 2300 E. After a lengthy illness, Dr. Robert Janitschke, (88), passed away on August 1, 2009. Dr Janitschke was raised in Honolulu, educated at the Punahoe School in Oahu and went to dental school at Northwestern University in Chicago. He married Ethel S. Lindblade in 1946 and began practice in Chicago. He later served 2 years in the army and moved to Denver in 1957 with his wife and 2 sons, Jan and Craig. He retired in 1991 to care for his wife who was a victim of Alzheimer's disease. He was preceded in death by his beloved wife and son Craig. He is survived by his son, Jan, his daughter-in-law, Bonnie, and Craig's wife, daughter-in-law Louise. A memorial reception was held on August 16, 2009. (Conestoga Chapter sent a check in the amount of \$45.00 to the SDC Museum Fund in his memory).

**WYOMING CHAPTER OF THE SDC INVITES YOU TO THE
THIRD ANNUAL WYOMING FALL COLORS TOUR
SEPTEMBER 18TH , 19TH, AND 20TH, 2009**

The Wyoming Chapter will host a road trip to see our fall colors and will take place in the center of the state with Thermopolis, Wyoming as the start/end point. Our gathering point will be the COACHMAN INN MOTEL, 112 HWY 20 south, or on the south side of downtown Thermopolis on the west side of Highway at the S-curve.

We will meet at 6 to 7 pm Friday night, and have sausages and hot dogs, along with side dishes to be brought by participants.

We leave Saturday at 7:30am, drive south thru the Wind River Canyon to Shoshoni, west to Riverton to eat breakfast at the Sundowner on the North end Riverton. After breakfast we will drive toward Lander thru Lyon Valley Road to Junction of south Pass Area (distance determined by weather) back to Lander and Sinks Canyon Park, lunch or ice cream in Lander, on through the reservation to the Wind River, through Pavillion to Harkins' cabin North of Shoshoni for steak BBQ. The club will furnish steaks, but side dishes of your choice are needed. Do bring the beverage of your choice, coffee, tea, and pop will be furnished. We do need advance reservation to have a steak for you, so please let us know so we can be prepared, thanks,

It is expected the trip is about 200 miles, all pavement, and quite historical.

After supper, we will disband for the evening, and meet again for departure breakfast on Sunday.

We have rooms reserved at the Coachman Inn Motel until September 4th for \$63.00 night tax included, 307.864.3141 or 888.864.3854. Please mention the Studebaker Fall Colors Tour for this rate, thanks.

Many other motels are available and follow the link below for the many choices.

Caring for Wide Whites

By Pat Dilling

For my white walls I use 400+ grit wet sandpaper. I wash them with soap and water first and sometimes use a brush to get the dirt off. Then, if there is a scuff or discoloration, I use the sandpaper. Another alternative would be the green Scotch-Brite. I do not use the sprays on white-walls themselves. I spray it on a sponge and apply it to the black part of the tire. That was guidance I got from Diamond Back Tires. Do not use any of the products that have bleach in them, like Bleach-White. That can cause the white walls to develop cracks. Also, make sure you keep proper inflation as low pressure causes the sidewall to flex more and can also cause problems. I have tried a number of methods and this seems the best. I have had some whitewalls develop cracks and I'm pretty sure I can attribute it to the bleach products. Follow the advice of the DB Tires folks. You can visit DB Tires on line @ www.dbtires.com

(source: The Echo, July/August, Editor Chris Collins)

Messing With a V8 Distributor

Background: One of the challenges with a Studebaker V8 engine, is the location of the hard to reach distributor. Studebaker engineers, in their advanced wisdom, placed the unit at the rear of the engine, behind the intake manifold and the valley pan. The only advantage found with this remote placement is the fact that an engine won't stall out by splashing water when accelerating through puddles. That is not the case in Ford and other miscreant V8, where the distributor is placed at the front of the engine.

Setting or replacing points and condensers is difficult, as in installing the distributor cap and or wires. Adjusting timing can be time consuming. Replacing a distributor is vexing.

The Fix: Recently, I discovered a technique that eliminates the hardship in replacing the distributor. The Distributor is held in place by the lock plate with a 5/16th course threaded, one inch hexagon head screw.

Once the distributor has been removed, replace the bolt that was removed with a 5/16 x 18 stud, one inch or longer, in the threaded hole where the lock plate screw resided. After the distributor has been properly installed, place the lock plate over the protruding threaded stud. Secure the lock plate with a 5/16" lock washer and nut. No more grouping to align the old screw through the lock plate and dropping it or misaligning it. Then, tighten the nut on the stud. The distributor is secure.

The Benefit: A realistic estimate places the time saved with innovative technique at three days, six hours and eleven minutes each time the distributor is removed and replaced.

Thanks to Don Dobbins. (source: The Big Sky Bulletin, Bernie Harris, Editor)

STUDE DEALS

For Sale: 1950 Studebaker Champion, all original, 2 door sedan, 6 cylinder, 3-speed overdrive, complete car, needs to be restored or rodded. 77,000 miles.
\$2500 OBO

Mike @ 303.349.9061 or Bob @ 303.452.9552 (2)

Oscar Lindemann @ 605.721.6928.
Source: SD Hawk, Editor, Jim Neuzil

I'm hoping you or one of your members might be able to help in the search for a replacement windshield and side glass for a 53 Hawk. The car belongs to my friend and neighbor Diego Burgos of Colorado Springs. Diego has salvaged this 53 and has done an excellent job of a partial restoration and modernization of it. Are there any Colorado or nearby state sources for glass that you recommend -- the shipping on glass is a killer!

Many thanks, Tom Hutton, Colorado Springs,
(719) 5986115 or e-mail: t.e.hutton@comcast.net

We were working on Mark Edwards 1949 Studebaker Speedometer the other day and I mentioned to him that we had 2 New Old Stock Studebaker Clocks, I think they are for a 1950 model year. Manufactured Oct 1949.If anybody in the club is in need of one they can contact me.

Regards, John Rullo, Service Manager, Deluxe Speedometer and Radio Service, 1976 S Bannock St., Denver CO 80223
303-629-6958 or www.deluxespeedometer.com

For Sale: 1962 4-door Regal Lark, original grey color, AC never used, chrome is perfect, original interior, low mileage, \$4,000.
Lee Short @ 719.481.2696
